HUNG-RITE

HVAC EQUIPMENT HANGER

- Gives proper support to eliminate equipment buckling and leaves equipment unobstructed for future maintenance
- Hanger comes fully assembled and ready for installation
- Four 15' cables with adjustable cable locks and 3.5" bolts allow for easy leveling and custom hanging height in almost any space
- Uses padding to reduce vibration, enabling quieter equipment operation and longer product lifespan
- Hanger is collapsible, and easy to take anywhere
- HVAC contractor designed
- Pre-drilled holes on the arms for threaded-rod installations
- Supports up to a 5 ton air handler or furnace & coil kit weighing up to 400 lb.
- UL Listed
- California hanging advisements of installing/hanging cables at a 45-Degree angle to minimize sway in case of an earthquake
